Code of Conduct for School Governing Boards

2018 Version

This code sets out the expectations on and commitment required from school governors, trustees and academy committee members in order for the governing board to properly carry out its work within the school/s and the community. It can be amended to include specific reference to the ethos of the particular school. Unless otherwise stated, 'school' includes academies, and it applies to all levels of school governance.

This code can also be tailored to reflect your specific governing board and school structure, whether that is as a maintained school or academy, either as a single school or group of schools. Where multiple options are given, i.e. senior executive leader/headteacher and governor/trustee/academy committee member, please amend to leave the option relevant to your governing board.

Once approved by the governing board, the Code will apply to all governors/trustees/academy committee members.

This Code should be read in conjunction with the relevant law and for academies, their articles of association and agreed scheme of delegation. It should be adapted as appropriate depending on the governance setting and level of delegation.

The governing board has the following strategic functions:

Establishing the strategic direction, by:

- Setting and ensuring clarity of vision, values, and objectives for the school(s)/trust
- Agreeing the school improvement strategy with priorities and targets
- Meeting statutory duties

Ensuring accountability, by:

- Appointing the lead executive/headteacher (where delegated)
- Monitoring the educational performance of the school/s and progress towards agreed targets
- Performance managing the lead executive/headteacher (where delegated)
- Engaging with stakeholders
- Contributing to school self-evaluation

Overseeing financial performance, by:

- Setting the budget
- Monitoring spending against the budget
- Ensuring money is well spent and value for money is obtained
- Ensuring risks to the organisation are managed

As individuals on the board we agree to the following:

Role & Responsibilities

- We understand the purpose of the board and the role of the executive leaders.

- We accept that we have no legal authority to act individually, except when the board has given us delegated authority to do so, and therefore we will only speak on behalf of the governing board when we have been specifically authorised to do so.
- We accept collective responsibility for all decisions made by the board or its delegated agents. This means that we will not speak against majority decisions outside the governing board meeting.
- We have a duty to act fairly and without prejudice, and in so far as we have responsibility for staff, we will fulfil all that is expected of a good employer.
- We will encourage open governance and will act appropriately.
- We will consider carefully how our decisions may affect the community and other schools.
- We will always be mindful of our responsibility to maintain and develop the ethos and reputation of our school/group of schools. Our actions within the school and the local community will reflect this.
- In making or responding to criticism or complaints we will follow the procedures established by the governing board.
- We will actively support and challenge the executive leaders
- We will accept and respect the difference in roles between the board and staff, ensuring that we work collectively for the benefit of the organisation;
- We will respect the role of the executive leaders and their responsibility for the day to day management of the organisation and avoid any actions that might undermine such arrangements;
- We agree to adhere to the school's rules and policies and the procedures of the governing board as set out by the relevant governing documents and law
- When formally speaking or writing in our governing role we will ensure our comments reflect current organisational policy even if they might be different to our personal views;
- when communicating in our private capacity (including on social media) we will be mindful of and strive to uphold the reputation of the organisation

Commitment

- We acknowledge that accepting office as a governor/trustee/academy committee member involves the commitment of significant amounts of time and energy.
- We will each involve ourselves actively in the work of the governing board, and accept our fair share of responsibilities, including service on committees or working groups.
- We will make full efforts to attend all meetings and where we cannot attend explain in advance why we are unable to.
- We will get to know the school/s well and respond to opportunities to involve ourselves in school activities.
- We will visit the school/s, with all visits arranged in advance with the senior executive leader/headteacher and undertaken within the framework established by the governing board.
- When visiting the school in a personal capacity (i.e. as a parent or carer), we will maintain our underlying responsibility as a governor/trustee/academy committee member.
- We will consider seriously our individual and collective needs for induction, training and development, and will undertake relevant training.
- We accept that in the interests of open governance, our full names, date of appointment, terms of office, roles on the governing board, attendance records, relevant business and pecuniary interests, category of governor and the body responsible for appointing us will be published on the school's website.

- In the interests of transparency, we accept that information relating to governors/trustees/academy committee members will be collected and logged on the DfE's national database of governors (Get information about schools).

Relationships

- We will strive to work as a team in which constructive working relationships are actively promoted.
- We will express views openly, courteously and respectfully in all our communications with other governors/trustees/academy committee members, the clerk to the governing board and school staff both in and outside of meetings.
- We will support the chair in their role of ensuring appropriate conduct both at meetings and at all times.
- We are prepared to answer queries from other board members in relation to delegated functions and take into account any concerns expressed, and we will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- We will seek to develop effective working relationships with the executive leaders, staff and parents, the trust, the local authority and other relevant agencies and the community.

Confidentiality

- We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside or outside school.
- We will exercise the greatest prudence at all times when discussions regarding school/trust business arise outside a governing board meeting.
- We will not reveal the details of any governing board vote.
- We will ensure all confidential papers are held and disposed of appropriately.

Conflicts of interest

- We will record any pecuniary or other business interest (including those related to people we are connected with) that we have in connection with the governing board's business in the Register of Business Interests, and if any such conflicted matter arises in a meeting we will offer to leave the meeting for the appropriate length of time.
- We accept that the Register of Business Interests will be published on the school/trust's website.
- We will also declare any conflict of loyalty at the start of any meeting should the situation arise.
- We will act in the best interests of the school as a whole and not as a representative of any group, even if elected to the governing board.

Ceasing to be a governor/trustee/academy committee member

- We understand that the requirements relating to confidentiality will continue to apply after a governor/trustee/academy committee member leaves office

Breach of this code of conduct

- If we believe this code has been breached, we will raise this issue with the chair and the chair will investigate; the governing board will only use suspension/removal as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.
- Should it be the chair that we believe has breached this code, another governing board member, such as the vice chair will investigate.

The seven principles of public life

(Originally published by the Nolan Committee: The Committee on Standards in Public Life was established by the then Prime Minister in October 1994, under the Chairmanship of Lord Nolan, to consider standards of conduct in various areas of public life, and to make recommendations).

Selflessness - Holders of public office should act solely in terms of the public interest.

Integrity - Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

Objectivity - Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability - Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness - Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty – Holders of public office should be truthful

Leadership – Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Adopted by the governing board of The Kingsmead School and Newtons Walk on 1 July 2019.

STANDING ORDERS FOR GOVERNING BODIES

Standing Orders are rules established by the Governing Board to regulate the work of the governors. They are in addition to any government regulation and are optional. At the start of the academic year the Full Governing Board and Committees will agree the Terms of Reference Code of Conduct and Standing Orders.

MEETINGS

Ordinarily Governing Board meetings will be held at the Kingsmead School, Bridge Street Site. They will start at 4.30 and will be limited to 2 hours. Normally governors will meet on a Monday – Wednesday

Where business has not been completed within the agreed time, those governors present may resolve to continue the meeting in order to deal with the business notified on the agenda.

AGENDA

The Agenda for Full Governing Board meetings will be organised by the Clerk in consultation with the Head and Chair. Agendas for committee meetings will be organised by the Clerk, Chair of governors, Chair of Committee and the Head.

Any governor may place an item on the Agenda by contacting the Clerk/Head/Chair not less than 10 days before the meeting.

Any governor wishing to raise an urgent item at the meeting must give notice at the start of the meeting. The Governing Board will decide whether any such item will be discussed or dealt with at a subsequent meeting.

ATTENDANCE - to be applied to FGB and Committee meetings

Where a governor has sent an apology to the Clerk, the minutes will record the Governing Board's acceptance of the apology or otherwise.

It is a legal requirement for minutes to record acceptance or non-acceptance by the Governing Board of an individual governor's absence.

Giving an apology does not protect a governor from disqualification for failing to attend a Governing Board meeting.

If the Governor sends an apology for absence, the governors present decide whether or not to agree that apology. For example, "Apologies for absence were received and accepted from Mr Smith" or "Apologies for absence were received from Mr Jones but the Governing Board agreed not to accept this apology".

If no apologies are given this must also be minuted: "Apologies for absence were not received from Mr S Smith". By default, this now means that the six-month disqualification period commences. The next section explains this.

The time of arrival and/or departure of any governor will be recorded in the minutes.

NON-ATTENDANCE

It is important that the majority of governors attend meetings on a regular basis. However, there will be occasions when governors are unable to attend a meeting for a very good reason.

There is an expectation that if governors cannot attend regularly that they put the needs of the school first in their decision-making and not undermine the effectiveness of the governing board by not discharging their responsibilities fully.

To be fully effective governors are expected to attend all FGB and where appropriate committee meetings.

There is an expectation that governors should attend more the 50% of the time in a rolling academic year

If the Clerk or Chairs note that a governor's absence is of concern

- three meetings missed
- no apologies received

then the clerk or chair will email the governor to enquire as to the reason for absence. On discovering that the problem is short lived, time specific (ill health, family problem, specific work issue) no further action will be taken at this stage.

If the problem persists

- six meetings missed
- no apologies received
- apologies not accepted by the governing board

All governors, apart from the Head, **will be disqualified from being a governor if they have failed to attend a Governing Board meeting for a continuous period of six months without:**

- giving their apologies
- obtaining the consent of the Governing Board.

At this time the clerk will send the standard letter /email to the governor (exemplar in this document). A follow up letter/email will be sent if there is no reply to the first.

MINUTES

Within 10 days of the meeting, the draft minutes will be sent by the Clerk to Chair, Chair of Committee for checking.

Those minutes, which the Governing Board determines as confidential, will be minuted on a separate sheet and copies will not be publicly available. They will be tabled at the next meeting for those governors present for the confidential item to check for accuracy, then the clerk will collect the copies in.

Recommendations received from Committees or Working Groups will be recorded in the minutes.

CORRESPONDENCE

All incoming correspondence to the Governing Board is for the attention of the whole Governing Board whether addressed to the Chair, Clerk or Governors.

The Clerk will receive and log all correspondence to the Governing Board.

The Clerk will present all significant items to the next meeting of the Governing Board.

All correspondence with other bodies should be via the Clerk.

DEBATE

The Chair will ensure that all governors enjoy equality of opportunity to express their views. The Chair will regulate all debates.

DECISION MAKING

The Governing Board must make all decisions unless an individual or a Committee has been delegated to deal with a specific issue.

Only governors present at a meeting may vote. Proxy voting is not allowed.

A simple majority decides any matter put to the vote. In the event of a tie, the Chair has a second vote.

Voting will be by a show of hands unless one governor requests a secret ballot. In the case of a meeting that is not quorate, where an urgent decision is required a virtual ballot will be taken by the chair. This decision will be minuted at the next FGB meeting.

Decisions of the Governing Board are binding on all its members.

URGENT ACTION

The Chair (or in the absence of the Chair, the Vice Chair) has the authority to take urgent action (on matters that are permitted to be delegated to an individual) between meetings where the delay in exercising a function is likely to be seriously detrimental to the interests of the School, a pupil at the School or their parents, or a person who works at the School. All such actions to be reported to the next meeting of the Governing Board by the Chair or Clerk.

PUBLIC STATEMENTS

No governor will make any public statement about any matter concerning the School without the authority of the Governing Board.

INFORMATION AND ADVICE

Where expertise is needed, but not available within the Governing Board, an appropriate non-governor may be invited in a non-voting capacity.

ACCESS TO MEETINGS

The Executive Head will attend all governor meetings.

The Deputy Head Teacher and the Head of Primary may attend meetings of the Governing Board as an observer, as part of their professional development. They do not have a vote.

The Governing Board will decide who, other than those entitled to attend, may be admitted to a meeting and which meetings will be open to parents or the public.

DELEGATION OF FUNCTIONS

An individual governor may take no action unless authority to do so has been delegated formally by resolution of the Governing Board. See Urgent Action

COMMITTEES

Committees to which the Governing Board has delegated any of its functions will act strictly in accordance with the terms of the delegation.

When establishing Committees, the Governing Board will:

- determine the membership
- select or confirm the Chair
- establish the terms of reference (in consultation with the Committee)

The Governing Board may co-opt non-governors to Committees, but they may not form a majority and have no vote unless the Governing Board specifically gives them a vote.

The Head Teacher and Chair has a right to attend any Committee meeting.

WORKING GROUPS

When establishing Working Groups, the Governing Board will:

- determine the membership
- select or confirm the Chair

- establish the terms of reference (in consultation with the Group)
- determine procedures for reporting back.

The Head Teacher and Chair has a right to attend any Working Group meeting.

CONFIDENTIALITY

All governors have a duty not to discuss any confidential item of governors' business outside the meeting.

REVISION

The Governing Board will review these Standing Orders at the Annual Meeting at the start of each school year.

GOVERNORS ALLOWANCES POLICY

National Context

The NGA firmly believes that all governing bodies should adopt an allowances policy and that all governors should claim. The above regulation provides the legal framework for governing bodies to pay 'out of pocket' expenses to their governors.

"It is good practice to pay such allowances as governors should not be out of pocket for the valuable work they do"

Legitimate allowances include: travel allowances to Governing Board, Committee meetings or training courses, cost of child-care while attending meetings/training, cost of photocopying/printing papers for governing board business.

The payment of allowances is not a reward; it is recognition that being a governor is not a cost-free exercise. Attending governing board meetings may involve travelling expenses, particularly in rural areas. Some governors may be able to afford the out of pocket expenses their role entails, but this is not true of all potential governors and restricting the right to claim may prevent someone from becoming a governor or force them to resign their position.

The NGA understands the reluctance to use school funds to pay governor allowances, but if governors are continually expected to meet the costs of fulfilling an essential role out of their own pocket then there is a real danger that a culture of doing the bare minimum will ensure; meaning governors will not undertake training and will be poorly informed. Many governing bodies that have adopted an allowances policy set an annual limit on claims.

As a minimum the allowances policy should include the right to claim for:

- travelling expenses to governing board meetings and training courses
- the cost of child-care while attending meetings/training courses
- the cost of photocopying/printing papers for governing board meetings

The Chair of governors should take the lead in encouraging governors to claim by ensuring that she/he claims. The use of school funds for this purpose does not take away funding from pupils; this ensures that governors are properly informed and equipped to carry out their role, which must be in the best interest of their pupils.

A governing board with a policy of paying allowances claims will also be going some way to meeting their duty to promote community cohesion by encouraging participation by all members of the community, not just those with deep pockets.

Whilst Governors act in a voluntary capacity, giving freely of their time, it is unreasonable and possibly discriminatory when taking the decision to become a governor, if governors were to be financially out of pocket for the work they do.

Governors' Allowances Policy

Guidance relevant to LA maintained schools

Expenses may only be paid to governors or associate members where a scheme is in place.

Regulation 28 of the Roles, Procedures and Allowances Regulations 2013 allows governing bodies to set up a scheme for the payment of allowances (out of pocket expenses) to members of the governing body, and associate members.

Delegation

The governing body may delegate the setting up of such a scheme to a committee, any governor or the Headteacher. Regulation 18(1) of the Roles, Procedures and Allowances Regulations 2013

These regulations give Governing Bodies the discretion to pay allowances from the school's annual budget allocation to governors for certain allowances which they incur in carrying out their duties. Kingsmead / Newton's Walk School Governing Board believes that paying governor' allowances, in specific categories as set out below, is important in ensuring equality of opportunity to serve as governors for all members of the community and so is an appropriate use of school funds. The specific items allowable reflect this objective.

:

1. Governors will be able to claim allowances providing the allowances are incurred in carrying out their duties, as a Governor or representative of Kingsmead / Newton's Walk School, and are agreed by the COG and Chair of Resources that they are justified before any reimbursable costs are incurred.
 - The cost of travel relating only to travel to meetings/training courses at the current LA allowance
 - Travel and subsistence costs, payable at the current rates specified by the Secretary of State for the Environment, Transport and the Regions, associated with attending national meetings or training events, unless these costs can be claimed from the LA or any other source
 - Telephone charges, photocopying, stationery, postage etc.

Travel by taxi is not reclaimable, except in exceptional circumstances, but mileage or equivalent bus or rail fare may be claimed instead.

2. Governors will be able to claim for the following, on a case-by-case basis and with the prior approval of the Governing Board
 - Childcare or babysitting allowances (excluding payment to a current/former spouse or partner)
 - Cost of care arrangements for an elderly or dependent relative (excluding payments to a current/former spouse or partner)

- The extra costs they incur in performing their duties either because they have special needs or because English is not their first language
- Any other justifiable allowances.

3. The Governing Board at Kingsmead/ Newton's Walk School acknowledges that:

- Governors may not be paid attendance allowance
- Governors may not be reimbursed for loss of earnings.

Governors wishing to make claims under these arrangements, once prior approval has been sought, should complete a claims form provided with the agenda, attaching receipts where possible, and return it to the School within two weeks of the date when the allowances were incurred, when they will be submitted for approval by the Chair of Governors and Chair of Resources to be presented to the Resources Committee (which meets at least once per half-term) for final approval. All claims once processed will be lodged with the School Business Manager for processing, recording, budget control and auditing.

Claims will be subject to independent audit and may be investigated by the Chair of Governors (or Chair of Resources in respect of the Chair of Governors) if they appear excessive or inconsistent.

This policy will be reviewed annually at the start of the year.

Model governor role description

Role of a school governor

To contribute to the work of the governing board in ensuring high standards of achievement for all children and young people in the school by:

- Setting the school's vision, ethos and strategic direction
- Holding the headteacher to account for the educational performance of the school and its pupils
- Overseeing the financial performance of the school and making sure its money is well spent

Chair _____

Vice Chair _____

Clerk _____

Buddy / Mentor _____

Activities. As part of the governing board team, a governor is expected to:

1. Contribute to the strategic discussions at governing board meetings which determine:

- the vision and ethos of the school
- clear and ambitious strategic priorities and targets for the school
- that all children, including those with special educational needs, have access to a broad and balanced curriculum
- the school's budget, including the expenditure of the pupil premium allocation
- the school's staffing structure and key staffing policies
- the principles to be used by school leaders to set other school policies

2. Hold the senior leaders to account by monitoring the school's performance; this includes

- agreeing the outcomes from the school's self-evaluation and ensuring they are used to inform the priorities in the school development plan
- considering all relevant data and feedback provided on request by school leaders and external sources on all aspects of school performance
- asking challenging questions of school leaders
- ensuring senior leaders have arranged for the required audits to be carried out and receiving the results of those audits
- ensuring senior leaders have developed the required policies and procedures and the school is operating effectively according to those policies
- acting as a link governor on a specific issue, making relevant enquiries of the relevant staff, and reporting to the governing board on the progress on the relevant school priority
- listening to and reporting to the school's stakeholders: pupils, parents, staff, and the wider community, including local employers

3. Ensure the school staff have the resources and support they require to do their jobs well, including the necessary expertise on business management, external advice where necessary, effective appraisal and CPD (continuing professional development), and suitable premises, and that the way in which those resources are used has impact.

4. When required, serve on panels of governors to:

- appoint the headteacher and other senior leaders
- appraise the headteacher
- set the headteacher's pay and agree the pay recommendations for other staff
- hear the second stage of staff grievances and disciplinary matters
- hear appeals about pupil exclusions

The role of a governor is largely a thinking and questioning role, not a doing role. A governor does NOT:

- write school policies
- undertake audits of any sort – whether financial or health and safety – even if the governor has the relevant professional experience
- spend much time with the pupils of the school – if you want to work directly with children, there are many other valuable voluntary roles within the school
- fundraise – this is the role of the PTA, the governing board should consider income streams and the potential for governors for income generation, but not carry out fundraising tasks
- undertake classroom observations to make judgments on the quality of teaching – the governing board monitors the quality of teaching in the school by requiring data from the senior staff and from external sources
- the job of the school staff – if there is not enough capacity within the paid staff team to carry out the necessary tasks, the governing board needs to consider and rectify this

As you become more experienced as a governor, there are other roles you could volunteer for which would increase your degree of involvement and level of responsibility (eg as a chair of a committee). This role description does not cover the additional roles taken on by the chair, vice chair and chairs of committees.

In order to perform this role well, a governor is expected to:

- get to know the school, including visiting the school occasionally during school hours and gaining a good understanding of the school's strengths and weaknesses
- attend induction training and regular relevant training and development events
- attend meetings (full governing board meetings and committee meetings) and read all the papers before the meeting
- act in the best interests of all the pupils of the school
- behave in a professional manner, as set down in the governing board's code of conduct, including acting in strict confidence

Expenses: Governors may receive out of pocket

expenses incurred as a result of fulfilling their role as governor and NGA recommends that a governing board should have such an expenses policy. Payments can cover incidental expenses, such as travel and childcare, but not loss of earnings.
