3. You will then receive an email where you can verify your details.
4. Return to the site and log in using the log in details you set in step 2.
5. You will see 'Available Courses' in the bottom of the page, and you need to 'Access' the Activities Portal:

Welcome to the Virtual Education Co-Op, a group of dedicated instructors and center administrators working towards the same goal: providing virtual equine education and activities to our participants.

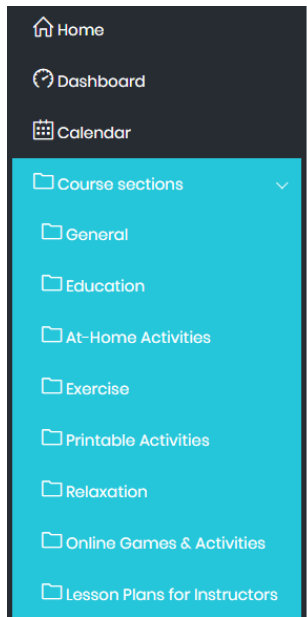

As a Co-Op, we have joined our efforts to build this online learning platform to distribute to all centers that are contributing members of the Co-Op. Please consider joining us at <https://www.facebook.com/groups/219721855802238/>, or by emailing stefani@virtualeducationco-op.com.

6. You can then have a look round and see if there's anything that you fancy having a go at!

7. There are Course sections that split the activities by theme which might help you choose what you would like to do.

8. Please send us any work that you do for us to have a look at and give feedback if you would like us to provide this. We would love to see what you have been up to and hear how you have found doing the activities. If you have any of your own ideas for activities, then also let us know as we can work with the developers to try and make them happen! You can email us at info@ponypartnerships.com.
